RE: Application of Blue Chip Moving Company, LLC for a Class E (Household Goods)
Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier -
Docket No. 2009-441-T

Dear Ms. Boyd:

Blue Chip Moving Company, LLC's ("Blue Chip") certificate was canceled by Order 2018-344 in Docket 2018-26-T for failing to file Annual Reports. At the time the company's certificate was canceled, it was also on a petition to revoke for failing to pay its annual assessment. In preparation for its request for reinstatement, Blue Chip has filed the 2016 Annual Report which led to its revocation, paid any back assessments in February 2019 and is currently in compliance with all other reporting requirements. South Carolina Office of Regulatory Staff ("ORS") confirmed that the company also has valid liability and cargo insurance requirements on file with ORS.

ORS has no objection to the reinstatement of Blue Chip's certificate contingent upon the company using the tariff and bill of lading that was on file with the PSC and ORS at the time of its revocation.

Sincerely,

Jeffrey M. Nelson
